CERTIFICATE OF PROFESSIONAL COMPETENCE

'BRIGHT-WORK' POLISHING TRAINING PROGRAMME

This is to certify that

Leopoldo Guidi
of All Flying Services

Has successfully passed the Frasers Aerospace 'Bright-Work Aluminium Polishing' training programme on 25th June 2015, demonstrating both sound theoretical and practical understanding of the techniques required for the effective use of Nuvite's 'NuShine II'* range of Metal Polishes and the range of electric and pneumatic tools supplied by Frasers Aerospace for abrasive and polishing work of this nature.

Signed on behalf of Frasers Aerospace:

Kevin Bishop
(Technical Manager)

Bryan Ribbans
(Director)
